UNIVERSITY OF  
**LEICESTER**

Friday 6<sup>th</sup> October 2023

Dear Parents and Carers,

We are delighted to be hosting a group of student teachers who are following a one year PGCE course at the University of Leicester, for three days 16<sup>th</sup> – 18<sup>th</sup> January 2023.

The focus of the three days is to support the student teachers to develop their knowledge and understanding of how knowledge organisers are used to help children know and remember more in Geography.

The students will conduct a small-scale exploratory study so that they develop their skills as teacher-researchers alongside developing and improving their own knowledge, skills and understanding of how curriculum content and structure supports learning.

The three days will involve the students speaking with teachers and pupils in school and observing lessons.

We are seeking your support with this project as we believe it is important that children are provided opportunities to share their thoughts, feelings and experiences about their learning. Children will be chosen at random and it is unlikely that all children will be spoken to. If you do not wish for your child to participate in the project, please notify the school office by the end of the school day on Friday 13<sup>th</sup> January.

Yours sincerely,

Head of School
