Leicestershire, LE19 3EF

5th May 2022

Dear Parents and Carers,

It is with great pleasure that we attach the report following our visit from Ofsted last term.

We are delighted that we continue to be rated as 'good' and extremely proud that we continue to offer our pupils a great quality of education; the report reflects this and the high ambitions that we have for Red Hill Field.

It is worth remembering that for the past two years we have been navigating the unknown territory of a global pandemic. The whole of the Red Hill Field community has tackled the challenges of this with resilience, creativity, expertise and good humour.

We are especially proud that the four inspectors (and their colleague who shadowed the inspection) noted that the school was 'welcoming and inclusive.' They were impressed by our children who they described as 'polite and well mannered' and described that they 'uphold the school's values of respect, harmony and fulfilment.' The pride that the whole community feels in our school was also commented upon.

The report says that:

Expectations are high. Leaders are relentless in their drive to make their school the best it can be. They want all pupils to learn and grow in harmony. Pupils know they are cared for. They feel safe and happy in school.

Company Number 08384805 Registered offices as above

We are very fortunate to work within Learn Academies Trust and alongside our own local governing body. The positive impact of our governance structures was praised in the report:

Trustees and governors are ambitious for the school. They challenge and support leaders well. All leaders ensure that staff have a reasonable workload. Staff appreciate the support received by the trust. Staff's morale is positive.

The report will be published on the Ofsted website in the coming days and will be available on our school website.

Thank you for the support that you offer to our school. We are proud to be part of the Red Hill Field community.

With very best wishes,

Steve Snelson (Headteacher)
Rachel Watts (Deputy Headteacher)
Steve Orton (Chair of Governors)
