Wednesday 4th May 2022

Dear Parents and Carers,

We hope you had an enjoyable Easter break and that, like us, you are very much looking forward to all that the Summer Term has for us to enjoy.

This week, we welcomed Gill Weston, Chair of Trustees for Learn Academies Trust, into school. She had planned to visit our school in March 2020 but was unable to do so because of the pandemic restrictions. This is the first opportunity she has had to visit us since and was very complimentary about our pupils, the school environment and what she saw happening in classrooms. She also joined us for our celebration assembly and was pleased to hear the reasons why children were awarded postcards for demonstrating our values. She told us how much she enjoyed her visit and how impressed she was with all that was happening at Red Hill Field.

As part of Learn Academies Trust, we work together with our family of eleven schools. Currently, the Headteacher of Blaby Stokes Primary School is not in school due to illness. To support the school, Mr Snelson is spending some time working with the leadership team at Blaby. This means that, on some days, Mr Snelson will be based at Blaby Stokes Primary School but will remain in close communication with Mrs Watts and the wider team here at Red Hill Field.

We are still awaiting the final report from our recent Ofsted inspection and look forward to sharing it with you soon.

With very best wishes

Stephen Snelson
Headteacher

Rachel Watts
Deputy Headteacher
