19th May 2022

Dear Parents and Carers,

As you will know, the Queen's Platinum Jubilee is fast approaching and we are pleased to let you know we will be marking the occasion in a few ways, starting with some activities on Friday 27th May. Firstly, we will be holding a celebratory lunch, and will set up tables outside on both playgrounds, so that everyone can have their lunch outside and enjoy the weather! Our caterers will be serving sandwich platters, savoury pinwheels and celebration cupcakes and scones so please book your child for a hot dinner if you would like them to have this option. Children bringing in a packed lunch are welcome to bring a picnic blanket (with their name on) to school to enjoy lunch outside with all their friends. We are planning to have bunting and music to make this an extra fun day for all.

Pupils are invited to wear red, white and blue to make this a non-uniform day and we will be marking the event in the afternoon by doing something special. All primary school children across the country are due to receive a gift and we will hand these out that day to take home.

We appreciate that most of our Year 6 pupils will be away having fun on their Call of the Wild residential trip, but rest assured that their gift will be waiting for them after the half term break. We will also be continuing on the celebrations for everyone to enjoy at our Jubilee themed Friends' Summer Carnival on Saturday 18th June – a date to mark on your calendars if you haven't already!

The Friends will be running the Jubilee Carnival from 2pm until 5pm, and events on the day will include a Jubilee themed fancy dress competition, and a homemade crown parade! Come dressed as the Queen herself, a castle, the Union Jack, anything you feel will relate to the theme. Or make a very special crown to wear proudly during the fair and be in for a chance of winning a prize for the best costume and/or the best crown!

The Friends will also host their usual BBQ and Bar, along with a whole range of stalls and activities. Keep an eye on our newsletter and the Friends' Facebook page for more
