

Dear Parents and Carers

Bikeability Cycle Training – Level 1 / 2 combined

Great news! Your child has been offered the opportunity to take part in Bikeability cycle training which is taking place at our school during w/c 29th September 2025.

You will find below a QR code / URL Link for you to complete the required consent for your child to participate in Bikeability cycle training. Please ensure you fully complete this, including any medical or SEND needs the Bikeability Instructors need to be aware of.

<https://consent.bikeability.org.uk/gull-shape-hill>

Please complete this by no later than 4th July 2025. Places will be allocated on a first come first served basis and failure to complete this form will unfortunately result in your child being unable to take part in Bikeability cycle training.

During the consent process please do follow the Links (how to check your child's bike is road worthy) (how to fit a cycle helmet) to ensure your child's bike is ready for the training and that they have a secure fitting helmet. Please note that unless religious or cultural exemptions apply, no rider will receive Leicestershire County Council Bikeability training unless a helmet is worn.

Your child will need to bring a roadworthy bike and a helmet that fits securely.

For tips on how to check your bike is roadworthy, visit:

bikeability.org.uk/bikeability-training/get-ready

If you are still unsure, please seek the advice of a professional mechanic in advance of Bikeability cycle training. A copy of the pre-course information for parents is attached.

Please ensure that you send your child with weather appropriate clothing for this training as they are outdoors. Your child will be provided with a hi-visibility jacket for all on-road sessions.

Kind regards,

The Bikeability Team
