30<sup>th</sup> August 2024

Dear Parent/Carer,

I am pleased to tell you that your child has been allocated a Tapestry account, which is our online learning journal provider. Your child's account is now active ready to showcase their learning at Red Hill Field.

As their parent/carer, you will be able to login at [tapestryjournal.com](https://tapestryjournal.com) or via the Tapestry app. You should have already been sent an activation email directly from Tapestry to the email address you have supplied to the school, which will allow you to set up your account. Please look out for this in your inbox and junk mail folders and make contact if you do not have this email.

Tapestry allows you to login with a secure username and password so you can view you children's observations, photographs, and videos. You can like and comment on observations that are added, as well as adding your own observations.

As a part of your child's learning journal, we may use group observations. These remain on the secure Tapestry server and are only included in the journals of the children tagged in the post. When the time comes to download your child's learning journal, these group observations will be visible to, and can be downloaded by, all users who have a child tagged.

Group observations are valuable to us as practitioners as a part of our continual monitoring of your child's progress and learning.

Please let me know if your child **should not** be included in group observations on Tapestry.

All data that is entered to Tapestry is stored securely on their servers. If you are interested in finding out more information about this, you can go to <https://tapestry.info/security>.

Should you have any questions regarding Tapestry, please speak to me at the end of the school day.

Many thanks

Mrs Startin
