PE day

On PE day, please come to school in your PE kit. We will tell you what day PE day is as soon as possible, no later than the end of the first week of term.

Homework

Please read with your child regularly. Each child will be sent home with a school reading book within the first few weeks of term. This book should be brought into school each day to allow for regular reading and book changing.

We also send home the taught sounds and words from phonics lessons for the week. Please keep these and practice them with your child.

Occasionally, we may send home further optional homework based on the learning from the week.

Structure of the Week

We teach English, phonics, and maths lessons 4 times per week.

Curriculum lessons are taught 2-3 times each week.

One day each week, children will have PE, music, computing and PSHE.
