27<sup>th</sup> September 2023

Dear Parents and Carers,

Thank you for attending our recent meeting regarding our residential trip if you were able to. Your support and involvement are greatly appreciated.

To ensure clarity and reinforce some of the key points we discussed:

**Social Media:** We understand your eagerness to see your children's experiences on social media. While we will aim to post at least one group photo per day during the trip, we kindly ask for your patience as the full photo album will be uploaded once we return. This allows us to prioritise the safety and supervision of our students during the trip.

**Valuables:** Children are not to bring their mobile phones on the trip. This is to ensure they are fully present and engaged in the trip. We also ask that you avoid valuable jewellery, clothing etc to avoid these becoming lost or ruined.

**Food:** Call of the Wild are very accommodating regarding food, if you believe you will need to supply your child with their own bag of food/snacks, please let us know.

**Kit list:** The children participate in a range of activities including canoeing, caving, waterfall walking and rock climbing. Because of these activities, it is important that the children have everything on the kit list. They do not need a pillow but will be required to bring a sleeping bag and a pillowcase. Specialist equipment such as wetsuits are supplied by Call of the Wild.

**Medication:** If your child requires medication outside of what they usually take in the school day (travel sickness tablets etc), please pop to the office so that you can complete a form in preparation for the trip.

Once again, thank you for your understanding and cooperation. We're looking forward to an enriching and memorable trip for our students.

Many thanks,

The Year 6 Team.
