30th March 2023

Dear Parents and Carers,

As we reach the end of a fabulous spring term, we wanted to take the opportunity to share some updates with you.

We are sorry to be saying goodbye to Miss Marshall who is moving on to work at an Outdoor Education Centre. Molly joined us as a member of staff having completed her student training at Red Hill Field. She has been an excellent staff member not only in the support she has given children within the classroom and outdoor environment but also running extra-curricular activities too. We will miss her greatly but know that she will be amazing in her new job. We would like to welcome Miss Ashley who will be joining us as a member of support staff in in our EYFS/1 department.

It has been wonderful to welcome parents back into celebration assemblies – it is always a delightful start to the week and a great opportunity for parents to share the achievements of their children. We are looking to hold further events in the summer term to give parents the opportunity to be part of their child's school experience.

It has been a busy spring term with a variety of events taking place in school. The whole school came together to celebrate World Book Day. The School Council have organised book and cake sales to raise money for both the school and charities. Our Year 2 children enjoyed their one night residential to Beaumanor Hall. We were so pleased that this was able to go ahead and that the children had such a great time. Our Year 4 children have just returned from their residential trip to the Hollowford Centre in Castleton. Another wonderful opportunity for our children to experience a whole range of activities to develop their skills beyond the school environment.

Last week, we held Parents' Evening. We hope you were able to meet with your child's class teacher to hear about their learning and their achievements. Some parents have

shared with us that they would like the opportunity to come into school so we are considering how we can give parents meaningful opportunities to visit and further understand their child's progress.

Thank you for your support during the spring term. We hope you have a lovely Easter break and that you have an enjoyable time with your family.

Yours faithfully

Stephen Snelson
