

We are delighted to have invited Animal Club into school on Thursday 24th February to spend the morning with the children in EYFS/Y1, teaching them about various animals and how to handle them. This visit will support our current topic of wild animals and give children a hands-on experience to add to their learning. To enable us to host these kinds of visits, we are asking for a voluntary contribution of £4.50 per child towards the cost of this workshop. A payment item has been set up on ParentPay. If you'd like to find out more about Animal Club, please visit their website <https://animal-club.co.uk/>

We do not yet know what animals we will meet, but are very much looking forward to their visit!
