

Headteacher: Mr Stephen Snelson

Deputy Headteacher: Mrs Rachel Watts

Copt Oak Road, Narborough,
Leicestershire, LE19 3EF

We are delighted to inform you that we have booked Fizz Pop Science to come into school to do a workshop with our Year 2/3 pupils.
This will tie in with areas of their current learning.

"Become illuminated as we split apart white light and create rainbows in the classroom. Discover how light travels and how it can be used in everyday life. Discover the wonders of UV when we make glowing potions and find invisible messages that are hidden in plain sight to keep us safe.

We will be exploring shadow puppets and how we can create different using lights and opaque objects. The children will be creating their own performance and showing it off to others."

To help with the cost of this workshop, we are kindly asking for a contribution of £4 per child. This has been set up as a payment item on ParentPay.

Many thanks,

RHF School Office
